Dear Miss. Manley.

When I attended your meeting at the Theresa Hotel last month, I made a tentative proposition, to compile the weekly records of your League,

Now we will do the work, for \$35.00 per week, payable weekly which will include all postal charges, (which as you know have been increased since the 1st of April,) we will also furnish to your league, all envelopes etc., infact everything.

Will you please , send us the Schedule, and also send to our bureau, everyone who is to receive the weekly averages,.

Please also advise me, when they are to be released. weekly. and also the Official scorers in each City, the names of them, infact any other information, you can give me,.

With my kindest wishes, for much success to you, and all members, of the league, for a successful season,.
